

MEDICAL STUDENTS

WHAT CAN YOU DO? - GET INVOLVED!

1. Medical Supplies for Indochina Committee needs people to organize collection drives, prepare presentation packets, and begin contacting fund sources. Meeting at 5:00 p.m. tonight (Monday) in Nerve Center. Workers urgently needed!
2. Senator Alan Cranston will speak tonight at Gunn High School (Arastradero) at 7:30 p.m. The public is welcomed!
3. The Palo Alto City Council will meet tonight at 7:30 p.m. in City Hall. Palo Altans Against the War have requested that the "Separate Peace" treaty (recently endorsed by the Stanford Medical Center) be included on the city ballot this May. This matter will be discussed this evening, and PAAW has requested that as many supporters turn out as is possible.
4. The Faculty Political Action Group will meet at 8:00 p.m. on Tuesday, February 23, in the large lounge of Tressider Union. To be discussed:
  - A. University's relationship to the War;
  - B. Our responsibility under the Nuremberg precedents;
  - C. Critique of judicial processes on campus.

All students are encouraged to attend and participate. Hopefully, faculty and students will be able to arrive at a mutual plan for action.

5. People who have ideas for specific projects should contact the Nerve Center.
