

Quiet And Firm

THERE HAS BEEN ENOUGH SHOUTING. WORDS HAVE LOST THEIR MEANING - EVEN NIXON TALKS OF PEACE.

We ask that everyone participating in this demonstration act in a spirit of non-violence. To be more specific:

- There will be no verbal abuse of bystanders or police.
- As much as possible there shall be silence--conversations with bystanders will not be initiated by demonstrators. If conversations occur they will be carried on away from the doors, and as quietly as possible.
- There will be no yelling, no bullhorns, no loudspeakers.
- Try to avoid getting arrested or antagonizing police.
- No weapons will be carried by demonstrators.
- The people at each door will designate two or more people as "greeters." Greeters will stand in front of the people as visitors arrive. The rest of the group will stand in silence.

THE PILOTS AND THE NAVY WILL NOT BE PERMITTED TO RECRUIT
AT THE PLACEMENT CENTER WEDNESDAY OR THURSDAY.
